Job Summary

We are seeking a detail-oriented **Window and Door Installer** to install, replace, and service a variety of window and door types. The ideal candidate has experience in carpentry and can work independently, ensuring the job is completed safely, efficiently, and to our high standards. This position is a full-time, permanent position.

Responsibilities

- Install windows and doors according to manufacturer guidelines and company standards.
- Remove and properly dispose of old windows and doors.
- Seal, caulk, and weatherproof installations.
- Operate power tools and hand tools safely and effectively.
- Inspect finished work to ensure proper function and aesthetics.
- Communicate with customers in a professional manner.
- Maintain a clean and organized job site.
- Follow all safety procedures and protocols.
- Effectively train and oversee assistants.
- Other duties as assigned.

Requirements

- Basic carpentry skills.
- Proficient in measuring, cutting, and fitting materials.
- Understanding of building codes and safety regulations is an asset.
- Physical stamina and the ability to lift heavy materials.
- Valid driver's license required.
- Strong work ethic and attention to detail.
- Experience in window and door installation is an asset; however, training will be provided, and candidates with general carpentry skills, though not specifically experienced in window and door installation will still be considered.

Benefits

- Competitive pay based on experience.
- Health and dental benefits after the successful completion of the probationary period.
- Paid vacation time.
- Ongoing training and development opportunities.
- Tools provided for work-related jobs.

How to Apply

Qualified candidates should submit their resume to katie@sel.ca. We thank all those who apply. Only those selected for an interview will be contacted.
